

**Mae Fah Luang University Notification on
Public Service and Public Utility Maintenance Fee (Second Issue), BE 2556 (2013)**

.....

With reference to 'Mae Fah Luang University Notification on Public Service and Public Utility Maintenance Fee', dated 24 March 2008, Mae Fah Luang University considers it is necessary to revise its public service and public utility maintenance fee in response to the current economic situation and as a criterion for the university's operation.

Therefore, acting on Article 26 of the Mae Fah Luang University Act, BE 2541 (1998), and by the resolution of the Finance and Property Committee reached in meeting 2/2556 (2013) on 1 March 2013, Mae Fah Luang University hereby issues this addendum to the first notification.

- Item 1 This notification is referred to as 'Mae Fah Luang University Notification on Public Service and Public Utility Maintenance Fees (Second Issue), BE 2556 (2013).'
- Item 2 A public service and public utility maintenance fee of THB 800 shall be collected in every semester (except the summer session) from every undergraduate student admitted to Mae Fah Luang University in the school year 2013 and thereafter.
- Item 4 The President retains the authority to enforce this notification, interpret this notification or parts thereof, and/or resolve any issues related to this notification. The President's judgment is final.

This notification is effective as of the school year 2013.

Issued on the eighth of March, 2013.
