

**Mae Fah Luang University Notification on  
General Education Criteria, Revised to BE 2559 (2016)**

.....

Mae Fah Luang University considers it is necessary to revise its foreign language requirement, which is part of the General Education curriculum, to be up-to-date and to offer a broader variety of languages for foreign students to study in fulfillment of their General Education requirements.

Therefore, acting on Article 26 of the Mae Fah Luang University Act, BE 2541 (1998), and by consent of Mae Fah Luang University Academic Council given in meeting 11/2559 (2016) on 5 October 2016, Mae Fah Luang University hereby issues a list of additional languages for foreign students to choose to study.

- Item 1            This notification is referred to as 'Mae Fah Luang University Notification on General Education Criteria, Revised to BE 2559 (2016)'.
- Item 2            This notification applies to foreign students admitted in the school year 2559 and thereafter.
- Item 3            The list of foreign languages for native Chinese-speaking students and native English-speaking students in item 3.1 of Mae Fah Luang University Notification on General Education Criteria, Revised to BE 2555 (2012), has been repealed and replaced with the list appended hereto.
- Item 4            Foreign students' enrollment on foreign language courses as part of their General Education curriculum shall comply primarily with the conditions stated in the relevant programme manual (TQF 2).
- Item 5            Foreign students are not eligible to enroll on any courses in their native languages. To determine a foreign student's native speakership, the International Relations Division shall collect the students' application-related documents and submit them to the Dean of the School to which the student belongs for consideration and approval.
- Item 6            The President retains the authority to enforce this notification, issue any guidelines that do not contradict this notification, and interpret this notification or parts thereof or resolve any issues related to this notification. The President's judgment is final.

Issued on the 1 of November, 2016.
